

## DIN rail cutter

RC 200

Mobile device for cutting DIN EN 60715 rails  
mod. TH35 - 15, TH35 - 7.5

Technical specifications are subject to change according to possible needs and without notice.

## FEATURES

- High-precision, burr-free cutting of mounting rails with little effort – and without leaving chips behind
- The cut edges are precisely angled – so no rework is necessary
- The cutting machine works silently and guarantees maximum workplace safety
- The dimension rail with length stop ensures the mounting rails are cut to length quickly and with millimeter precision
- Lightweight design for mobile use is ideal for frequently changing workplaces
